Unusual school day

It was a beautiful morning on Friday. Fred watched his favourite cartoon on TV. Then he had breakfast with his brother David. After breakfast he said, "Goodbye", to his family and rode his bike to school. He put his bike next to the wall. He always put his bike there – with all his friends' bikes.

Fred went into his classroom and put his books on the desk. The room was very quite because no children were there. The teacher was not there too. That was strange.

What happened to his classmates? He sat down at his desk and took his pen from his bag. Then he looked around and saw some people outside the window.

Fred saw his teacher with a guitar and all his friends. In front of them there were two clowns. The first clown threw a tomato at the second clown. It went into his mouth. All the children laughed. Fred stood up quickly. "Oh yes!" he said, "It's our last school day today. It's the school party!" He ran outside and sat with his friends.

Dear friend,

My name is Wendy. I live in London, England. I am twelve years old. My birthday is on the 12th of May. I live with my mum and dad. I haven't got any sisters or brothers.

I go to Hillside School. My school is great but it isn't very big. I'm in class 1a. There are twenty pupils in my class. I like my classmates. They are very friendly. Have you got any friends in your class? My favourite subjects are English and Music. I don't like Maths because I'm not very good at it. What's your favourite subject?

I like reading books in my free time. I can sing and dance quite well. What about you?

I hope to hear from you soon.

Yours,

Wendy
